All Indians from Iran being evacuated; over 800 back

India to fly home Nepal, Sri Lanka citizens as well

SHUBHAJIT ROY New Delhi, June 21

An Indian student returning from Iran reacts after meeting her relatives at the Indira Gandhi International Airport on Saturday

IN A major diplomatic outreach to its neighbours, India said Saturday it will evacuate nationals of Nepal and Sri Lanka who are stranded in Iran and want to leave the country.

Officials in Delhi framed it as an example of India's "neighbourhood first policy" - of helping its neighbours in times of crisis, be it conflict, natural calamity or pandemic.

This announcement came on the day two more flights, operated by the Iranian Mahan Air, landed in Delhi.

The Indian embassy in Tehran, in a post on X, said, "On request of the Governments of Nepal and Sri Lanka, the Indian Embassy's evacuation efforts in Iran will also cover citizens of Nepal and Sri Lanka."

"The citizens of Nepal and Sri Lanka may urgently reach out to the Embassy, either on the Telegram channel or over the emergency contact numbers: +989010144557; +989128109115; +989128109109," it stated.

Nepal's Foreign Minister Arzu Rana Deuba expressed Kathmandu's gratitude. In a post on X, she thanked External Affairs Minister S Jaishankar "for India's swift assistance in helping to evacuate Nepali nationals from Iran".

"India's support in Nepal's evacuation efforts is a reflection of the strength of Nepal-India ties," she said. Sources said about 16 Nepali nationals are in touch with the Nepalese embassy in Delhi. So far, a total of 827 Indians have been evacuated from Iran.

"Another evacuation flight from Mashhad landed in New Delhi at 1630 hrs on 21 June with 310 Indian nationals from Iran.

With this, a total of 827 Indians have been evacuated," Randhir Jaiswal, spokesperson for the Ministry of External Affairs, said. A group of about 290 Indian nationals, including students, reached Delhi late Friday night and early Saturday after being evacuated from Iran as its war with Israel intensified.

Pak to name Trump for Nobel Peace Prize 2026

PRESS TRUST OF INDIA Islamabad, June 21

THE PAKISTAN government on Saturday said it has decided to formally recommend US President Donald Trump for the 2026 Nobel Peace Prize for his "decisive diplomatic intervention" during the recent India-Pakistan conflict.

The announcement came this in a post on X, with the headline: "Government of Pakistan Recommends President Donald J Trump for 2026 Nobel Peace Prize".

The announcement came three days after Trump hosted Pakistan Army chief Asim Munir at the White House.

"The Government of Pakistan has decided to formally recommend President Donald J Trump for the 2026 Nobel Peace Prize, in recognition of his decisive diplomatic intervention and pivotal leadership during the recent India-Pakistan crisis," it said.

Tensions between India and Pakistan escalated after the April 22 Pahalgam terror attack, with India carrying out precision strikes on terror infrastructure in Pakistan and Pakistan-occupied Kashmir on May 7.

11TH INTERNATIONAL YOGA DAY Yoga fervour touches millions across India

PRESS TRUST OF INDIA New Delhi, June 21

MILLIONS ACROSS India rolled out their yoga mats and stretched and meditated to mark the 11th International Day of Yoga, with Prime Minister Narendra Modi leading the celebrations from the coastal city of Visakhapatnam in Andhra Pradesh.

Dressed in all-white, Modi led a mass yoga demonstration at Visakhapatnam's RK beach and said that at a time when the whole world is going through some kind of tensions, yoga gives a direction of peace and brings oneness.

"Yoga is the pause button that humanity needs to breathe, to balance, to become whole again," he said.

"My request to the world - let this yoga day mark the beginning of yoga for humanity 2.0, where inner peace becomes global policy," the PM said. He said the theme of this year's International Day of Yoga is "Yoga for One Earth, One Health", which reflects a deep truth that the health of every entity on Earth is interconnected. Human well-being depends on the health of the soil that grows food, on the rivers that give water and the

health of animals that share the ecosystem and the plants that nourish, he said.

Andhra Pradesh Chief Minister Chandrababu Naidu and his deputy Pawan Kalyan also joined the event.

Addressing a programme at the police lines in Uttarakhand's Dehradun, President Droupadi Murmu described yoga as a shining example of India's soft power and said it has now become a shared legacy of the entire mankind.

"Yoga is not connected with any religion, sect or community. It is an art of leading a healthy life," the President said,

appealing to everyone to embrace it as a daily practice for mental and physical well-being. In his message on International Day of Yoga, Dhankhar said yoga's timeless wisdom has transcended borders to unite humanity in wellness and harmony. The ancient practice is India's gift to the world that brings peace, strength and unity to millions around the globe, he wrote on X. "Rooted in India's 5,000-year civilisational heritage, yoga's timeless wisdom has transcended borders to unite humanity in wellness and harmony," he added.

Apple eyes Perplexity for AI search engine

BLOOMBERG June 21

APPLE INC executives have held internal discussions about potentially bidding for the artificial intelligence startup Perplexity AI, seeking to address the need for more AI talent and technology.

Adrian Perica, the company's head of mergers and acquisitions, has weighed the idea with services chief Eddy Cue and top AI decision-makers, according to people with knowledge of the matter. The discussions are at an early stage and may not lead to an offer, said the people, who asked not to be identified

PERPLEXITY AI. The discussions are at an early stage and may not lead to an offer. Perplexity recently completed an investment round that valued it at \$14 billion.

because the matter is private. Such a deal would help Apple develop an AI-based search engine, part of efforts to cope with the potential loss of a longstanding arrangement with Google. That partnership, which involves making Google

the default browser on devices, generates roughly \$20 billion a year for Apple - and is now under threat from US antitrust enforcers. To date, Apple executives haven't discussed a bid with Perplexity management. Bloomberg News reported on Friday that Meta Platforms tried to buy Perplexity earlier this year.

"We have no knowledge of any current or future M&A discussions involving Perplexity," the AI startup said in a statement. Apple declined to comment. Perplexity provides real-time answers to questions using the latest information from the web.
